# “RECENT ADVANCES IN HERBAL DRUGSS & IT's STANDARDIZATION”

A

2-DAY

NATIONAL CONFERENCE

Organized by

Azad Institute of pharmacy & Research

Lucknow

On

13 & 14 March 2018

VENUE  
AZAD TECHNICAL CAMPUS

## OBJECTIVE OF THE CONFERENCE

Azad Institute of Pharmacy & Research (AIPR), Lucknow has taken an initiative to organize a National Conference on the topic "Recent Advances in Herbal Drugs & its Standardization". The objectives of this seminar is to explore, review and discuss the current scenario in Herbal Drugs, its novel standardization methodologies, botanicals, traditional formulations developments and food products. It also aims to bring together leading Academicians, Scientists, Researchers and Scholars to exchange and share their experiences and research results on Herbal Drugs and its standardization methodologies and Technologies.

Exchange of knowledge among the government and industry representatives, scientists, researchers, academicians and students on important specific issues of herbal Drugs, standardization methodologies and botanicals will be the hallmark of this event.

The conference makes an effort to compile some of the related recent findings and highlight of the major issues related to above topics in the form of plenary lectures, Interactive sessions and Scientific deliberation from expert Dignitaries, Distinguished Speakers, Renowned Professors, Eminent Speakers and Prominent Scientists of National and International repute in the field of pharmaceutical Industry, Teaching & Research from all over India, and at the same time to give a platform for young researcher to reach out to and develop insight.

It is expected that the conference will generate awareness among all concerned to contribute effectively to Herbal Drugs, its utility in health care along with their future prospective for building up innovation and enterpreneurship as pillars of herbal pharmaceutical Industry that would best fit for the local as well as global needs.

## MAIN FEATURES OF THE CONFERENCE

The main topic covered in this conference will include:-

- Authentication of genuinity of natural products and disturbance of its quality.
- Establishment of safety, efficiency and quality of botanicals and herbal Drugs and formulations using modern analytical formulas.
- Searching of bioactivity and toxicology of natural products, botanicals, standardized extracts regulatory aspects of herbal drugs and botanicals for safety assessments.
- To provide the platform for scientific community to interact on related innovations and related trends in herbal drugs & its standardization.
- To develop and inculcate scientific temper in the young generation.
- To disseminate information about latest development in recent trends in herbal products & botanicals.

## ABOUT THE INSTITUTE
