- ➢ **Green Gas Limited (A Joint Venture of GAIL & IOCL)**
- ➢ **Commander Works Engineer (CWE, Indian Army)**
- ➢ **NHMC & Garrison Engineers (Ministry of Defense), etc.**

Softpro Technologies- Malawi, **Africa**, is one of the biggest milestones of Softpro Group. This Softpro Group unit was established in Malawi, Africa when the African embassy contacted the management to help them impart I.T. Education and Training in their country. Softpro has been working there to help the government **raise the computer literacy rate of the country** through our specialized training programs and collaboration with the country's Colleges and Universities.

"Softpro Learning Centre", commenced in 2008 with an insight to bridge the Technology Gap prevalent between IT students and IT professionals. Softpro Learning Centre has embarked itself as one of the most propitious centers for learning across UP and nearby states.

Softpro Learning Centre includes promulgating Summer Training to B.Tech students, Industrial Training to MCA/BCA students, and Apprenticeship Program to pass out to students of B.Tech/BCA/MCA.
